User: I have an important exam tomorrow but I'm not able to concentrate.

Possible Responses:

1. You may be unable to concentrate because you are feeling stressed about th
e exam. Take a short break, then focus on one topic at a time and stay confid
ent.

2. Since your exam is tomorrow, try to focus on the most important topics fir
st. Take a short break when needed, and be confident because you can still pr
epare well.

3. It is normal to find it hard to concentrate before an important exam. Take
a break, return with better focus, and stay confident in yourself.

Scores: [5, 5, 5]

Best Response:
You may be unable to concentrate because you are feeling stressed about the e
xam. Take a short break, then focus on one topic at a time and stay confident
.

```

on.

Possible Meanings:

- financial institution
- riverbank

Correct Word Sense:

bank -> riverbank

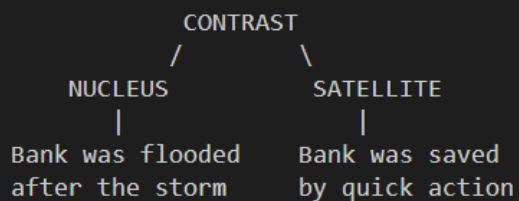

Predicate Logic Representation:

```
riverbank(bank)
location(bank, river)
storm(storm1)
flood(bank)
after(flood, storm1)
quick_action(action1)
saved_by(bank, action1)
```

Target Sentence:

The riverbank was flooded after the storm, but quick action saved it.
